Hello everyone and welcome back to the 2018 school year. I hope all students and their families have had an enjoyable and restful break and are now ready for another productive year of learning.

I would like to take this opportunity to welcome all of our new students: Layla, Mason, Stephanie, Emily, Chloe, Addison, Ilario, Lucas, Avia, Hannah, Zachariah, Diesel, Thomas, Olivia, Ruby, Calan, Trinity, Ameira, Lily, Damian, Amelia, Stefan and their families to Our Lady of Hope. I am confident that you will find OLOH to be a very warm, nurturing and positive environment, and we look forward to having you as part of this wonderful community in 2018.

As a staff group at Our Lady of Hope we are looking forward to working with your children again in 2018. All staff are committed to working in partnership with families to provide an educational environment which fosters positive relationships within the school community, and meets the learning needs of each student. Not only do we strive to provide an education which meets the academic needs of every student, we also aim to provide an education that is based on values which Jesus promoted during his life, and an education which helps children to develop socially, emotionally, physically and spiritually. If at any time, you have any concerns about your child’s welfare or learning, please do not hesitate to make contact with either your child’s class teacher or another staff member in the school who you feel might be able to assist you. I feel privileged to be working with such a committed, caring and talented staff group and I am confident that as a community we can provide a positive learning environment for your children in 2018.

Meet the Teacher Evening & School Calendar

Attached to the back of this newsletter is the Term 1 Calendar, which provides an overview of all the important events that are on in Term 1. A hard copy was sent home with each eldest child on 29th January.

The first of these is the Parent/Teacher Evening, which is scheduled for this coming Tuesday 6th February. This will commence at 6.00 pm with an informal social gathering of all staff and parents in the Parish Centre. Drinks and nibbles will be available during this time. At 6.30 pm teachers and parents will move to classrooms where there will be an opportunity for you to see your child’s classroom, meet your child’s teacher and talk with teachers about any issues you would like to raise. This is an opportunity to find out a little more about the teachers’ plans, programs and expectations and to ask any questions you may have about the year. Teachers will be in their classrooms between 6.30 and 7.30pm, so if you have more than one child in the school you can spend some time in each classroom. We see this as a very important part of the communication process between school and parents, and I would encourage you to attend. Information was sent home on 29th January. If you are planning to attend this evening please return the reply slip to your child’s classroom teacher, so that we can ensure that we adequately cater for the evening.

Other Significant Dates include:

**Tuesday 6th February:** 6.00 pm: Parent Information/Meet the Teacher Evening.
**Sunday 11th February:** Staff Commissioning Mass at Our Lady of Hope @ 9.00 am.
**Wednesday 14th February:** Beginning of Year Mass and Ash Wednesday Mass
**Friday March 9th:** Pupil Free Day – Staff PD
**Monday 12th March:** Adelaide Cup Public Holiday
**Friday 23rd March:** OLOH Sports Day
**March 30th – April 2nd:** Easter Long Weekend
**Tuesday 3rd – Thursday 5th April:** Year 6/7 Camp.
**Friday 13th April:** Last day of Term, school finishes at 12:30 pm.

Respect is one of the most important virtues a child can have. Teaching your child how to respect others and work with others will ensure they develop positive relationships with their family, friends and teachers throughout their life. Showing respect in the Performing Arts room will ensure that more learning takes place, everyone is happy and enjoys coming to the lesson, and sets the tone for the rest of the year.

Our first few weeks will be a Drama unit on, What does it mean to respect others and How can we be respectful to others.

The remainder of the term will be focused on being exposed to, sing along with, and learn the songs from the musical “The Wizard of Oz” using many props and movement activities to assist in this learning. This activity was inspired by the musical, the Wizard of Oz, coming to The Festival Theatre in Adelaide, from 3 April for 4 weeks. The songs we will use are based on the soundtrack from the original Movie released in 1939 with Judy Garland playing Dorothy.

Junior Primary classes will be following the First Steps program in their classes as well. The First Steps in Music curriculum is designed to prepare children to become musical in three ways:

1. Tuneful – to have tunes in their heads and learn to coordinate their voices to sing those tunes.
2. Beatful – to feel the pulse of music and how that pulse is grouped in either 2s or 3s.
3. Artful – to be moved by music in the many ways music can elicit a feelingful response.

Children who learn to be tuneful, beatful and artful before they leave elementary school will grow to be adults who can benefit from what music can offer. The First Steps in Music curriculum is a musical workout that grows tuneful, beatful and artful individuals. There are eight different activities in each workout.

1. Pitch Exploration (Vocal Warm-ups)
2. Fragment Singing
   Echo Songs
   Call and Response Songs
3. Simple Songs
4. Arioso (Child created tunes)
5. Songtales
6. Movement Exploration (Movement Warm-ups)
7. Movement for Form and Expression
8. Movement with the Beat

Students in Year 3-7 are involved in Recorder Karate. In Year 3 they learn all about the recorder, how to play it and read music and have ten special Karate belts to achieve before the end of the year. From Years 4-7 students work through the levels of the belts at their own pace.
