YEAR 6/7 CAMP TO NARNU FARM

On Tuesday 3rd April the Year 6 and 7’s went on camp to Narnu Farm. There were lots of exciting activities including farm animal feeding, horse riding, finding and cooking cockles on the beach, the barrage walk, kayaking, fishing ecology and wilderness activities. A highlight of the camp was definitely at night when we played spot light. A fun time was had by all and many memories were made.
Dear Parents,

It is hard to believe that we are already at the end of the first term.

Year 6/7 Camp to Narnu Farm

Last Tuesday, Wednesday and Thursday, I had the pleasure of attending the Year 6/7 camp at Narnu Farm on Hindmarsh Island. School camps provide students with an opportunity to get to know each other better and also help children to form new relationships with others who they don’t always interact with. Being on school camp also gives children a chance to develop some independence away from their familiar home environment.

Whilst on camp the children got to participate in a number of new experiences. They had the opportunity to experience life on a farm where they were able to hand feed and get up close and personal with the farm animals. The children had the opportunity to learn how to ride a horse and after learning how to steer, stop and control their horse they then took their horse out on a 20 minute trail ride through the paddocks on the farm. They had the opportunity to canoeing in the Coorong and explore the native marine life by engaging in a Fish Ecology activity whereby they set up nets to catch fish and other marine animals. They were taken on a guided walk of the Goolwa Barrage and were able to collect cockles.

For most of our students, the above activities were new experiences and the children had a lot of fun and learnt some new skills. At night time the children had a number of games of spotlight. This was a lot of fun and a few of our students were very good at crawling into some tight hiding spots and going undetected. I am also pleased to let everyone know that despite the students thinking it would be easy to find the staff in the teachers vs student spotlight game, the staff were able to survive 15 minutes in hiding without being spotted by the students.

I enjoyed the 3 days I spent with our Year 6/7 students and the camp gave me an opportunity to release my inner child and have a lot of fun with the children. They are a very lively, energetic and fun-loving group of individuals and I enjoyed sharing a number of laughs and jokes with them and the staff who attended. I loved the way in which the children cared for, helped and supported each other throughout the camp and were prepared to take risks and try new things. I would like to thank Lea Pierens, Megan Pratt, Emma Rogers, Pat Kerkenaar, Cheryl Bugeja, Pauline Lensink and Cos Longo for their attendance at camp. I thoroughly enjoyed the camp and feel privileged to have spent the 3 days with such a wonderful group of students and staff.

I really look forward to my continuing involvement with these students throughout the year.

Parent/Teacher Interviews

Just a reminder that Parent/Teacher interviews will occur in the 2nd week back next term. You should already have received some information about how to book online for these meetings. I strongly encourage all parents to make a time to meet with their child’s class teacher about their academic and social progress at school. If you need any support with making a booking, please come and see Julie or Donna in the Front Office.

School Uniform

In Term’s 2 & 3 children are required to wear their winter uniform. In order to allow parents who have not yet had a chance to purchase any new items needed, we do allow a 3 week flexible period whereby children are able to wear their summer or their winter uniform (not a combination of both).

During the holidays many children will attend the hairdresser in order to have a hair cut before they return to school. Can I please ask that parents ensure that their child’s hairstyles adhere to the Our Lady of Hope uniform policy. An extract from this policy in relation to hairstyles is included below:

HAIR

*Hair should be neat and tidy at all times and should not hang down across the eyes or in front of the shoulders. Shoulder length hair or longer is to be tied back at all times. Extreme hairstyle such as spiking, patterns, severe cutting (less than a number two clipper cut), or artificially coloured hair in extreme or unnatural colours is not permitted. A small amount of gel which enhances neatness is acceptable.*

This policy applies to both girls and boys. The purpose of restraint upon hairstyle is not to stifle individuality but to channel it within limits that emphasise cooperation and identification with the whole school community.

Last day of Term 1 and start of Term 2

Just a reminder that school finishes this Friday at 12.30 pm. School resumes on Monday 30th April.

Key Dates for Term 2:

- Monday April 30th: First day back for students
- Monday 7th & Tuesday 8th May: Parent/Teacher Interviews
- Wednesday 9th & Thursday 10th May: Parents & Friends Mothers Day Stalls
- Friday 11th May: Mothers Day Liturgy, Class visits and Morning Tea

Thank you

I would like to take this opportunity to thank all the staff at Our Lady of Hope School for the great work they have done this term. They are a great group of staff and their efforts are very much appreciated.

I would also like to thank all the parents who have helped in the school this term in a variety of ways. Your support and assistance are very much appreciated. You are an integral part of what makes OLOH such a terrific community.

Finally, I congratulate the children for their efforts this term. They are a wonderful group of students and we should all be very proud of them.

I hope that you all enjoy a happy and safe holiday break and that you get the opportunity to spend some valuable time with your children over the two weeks of the school holidays.

I look forward to working with you all again next term.

God Bless,

Ashley Keane

Fees Reminder
Please note that Term 1 fees were due on 8th March 2018. If you have not paid your Term 1 fees and do not have a payment plan in place, please make payment a matter of priority. The school relies on funds received from fees to meet its running costs.

If you have a Direct Debit in place and you have not reviewed the amount you are paying in 2018, please do this to ensure that your payment amount is sufficient to cover this year’s fees.

School Card applications are required to be made each year. This year the School Card income limit has been raised to $57,870 for a family with one child. This limit increases with each child. If you believe you may be eligible for School Card in 2018, please see Julie at the Front Office for an application form or you can apply online at: https://www.sa.gov.au/topics/education-and-learning/financial-help-scholarships-and-grants/school-card-scheme

If you are experiencing any difficulties in paying your fees, please make contact with me for a confidential discussion regarding your circumstance.

Young Leaders Day

Last Tuesday, our Student Leaders attended ‘The National Young Leaders Day’ at the Adelaide Entertainment Centre. The School Leaders listened to influential speakers, including Jules Sebastian, Matt Gosgrove and Nathan Bazley. They participated in activities to use and develop their leadership skills. Alana even had the opportunity to ask a question to John Coutis!

Autumn is here at OLOH

The autumn season has certainly arrived at OLOH! The students had lots of fun playing with the leaves at recess. Room 9 later resourcefully gathered the leaves and put them in our compost bin!
Our Hope Grows garden was open during lunchtime last Thursday. Students had the opportunity to find strawberry runners and replant them into pots! They did a terrific job.

Students from Rooms 1, 2 and 3 had lots of fun planting seeds into pots to place in our greenhouse. Thank you very much for your help!
Sphero Task

On Monday 19th March, Room 16 had a lesson with the sphero robots. We had time to work out how to get the robots moving in the directions we wanted. We then had a race around the classroom and under objects. Some malfunctioned and some completed the track.

We learnt that you can change the colour of the robot and make it dance, jump, control itself, speed up, slow down and many other things. Robots are awesome!

Year 5 & 6 students (Room 16)
The OLOH Playgroup recently held an Easter themed playgroup which also included inviting any older siblings who attend OLOH to help their younger siblings in an Easter Egg Hunt. The smiles on the children’s faces said it all.

Last week the playgroup had fun with some water play.

Enjoy the holidays and we look forward to catching up next term.
