In Room 3 this year we are having a focus on Collaboration......Working Together

Collaboration develops 21st century thinkers and learners, a vital skill for the future.

Pursue your personal best, no matter who you work with.

A journey in faith and learning
I hope you all enjoyed your extra long weekend and had an opportunity to spend some time with your family.

**Staff Professional Learning**

On Friday our staff spent the day with the staff from St. David’s and a few staff members from Gleeson College undertaking some professional learning around the theme “Evidenced based teaching and learning in Literacy.” Our presenter on this day was Bill Hansberry and he guided staff through some research around what teaching practices and programs really help children learn how to read and spell. As part of this day staff spent some time looking at some of the research around the brain and the difficulties that people with dyslexia and other language disorders have when learning to read. There are many different reading and spelling programs that have been developed which claim to assist children with developing their reading and spelling skills. Bill’s challenge to us was to closely look at what research is telling us and be very discerning when choosing the right spelling and reading program for our children. The day was very thought provoking and reinforced that we are on the right track when it comes to our early intervention reading programs. As a staff group we will now have some further reflection and discussion on what we learnt on Friday and we will look at how we can continue to improve the quality of the literacy programs which we offer.

**School – Home Communication**

We are constantly looking at ways of improving communication between the school and the home and how we can make it easier to obtain information from school and communicate with teachers. We are currently working on developing a new School Website which will be mobile responsive so it can be easily accessed on all types of devices.

We aim to make this website user friendly and easy to navigate. We are hopeful that the new website will be ready to be launched in Term 2 this year. I will keep you updated on our progress in this area.

In addition to the School Website we are continuing to use the Skoolbag App as a way of communicating with parents and sending reminders to families about important events and due dates. Information on how to download the Skoolbag App can be found later in this newsletter.

We have recently subscribed to the paid version of Seesaw App as a way of classroom teachers communicating with parents. All teachers are now using the Seesaw App as a way of communicating with parents and sharing work with parents. Seesaw is a very safe way of sharing information and I strongly encourage all parents to sign up to the app in order to receive regular updates about classroom events. Your child’s teacher can provide you with information about this.

Also a reminder that we have our School Facebook site. On this site we share with our community some pictures and information about some of the special events and celebrations which have occurred at school.

If you would like to provide any feedback or suggestions about how we can better improve school – home communication then please don’t hesitate to come and see me or email me at akeane@oloh.catholic.edu.au

**Parent/Teacher Interviews**

This year our parent/teacher interviews are going to be held in the 2nd week of Term 2, (Monday 7th and Tuesday 8th May). Parent/teacher interviews are a vital part of communication between the school and the home and therefore we strongly encourage parents to attend a parent/teacher interview. A note will be sent home about this explaining that we are once again using an online booking system for parents to book a suitable time for these interviews. Further information about this will be sent home in the coming weeks.

Parent/teacher interviews provide a formal time when all teachers are available to meet with parents on the same night. Parents are always welcome and encouraged to make a time to meet with their child’s class teacher in order to discuss any concerns or get an update on how your child is doing at school at any stage throughout the school year.

**Sports Day**

Just a reminder that our Annual Sports Day will be held next Friday 23rd March. This day is always a great community event and we invite all parents to attend. Information about this event, including a sausage sizzle order form was sent home to all families last week and is due back by today. I look forward to what is always a fun and enjoyable day.

God Bless,

Ashley Keane
Principal

Kaelan L - For his appointment as Co-Class Captain for Semester 1.

Fees Reminder  
Please note that Term 1 fees were due on 8th March 2018. If you have not paid your Term 1 fees and do not have a payment plan in place, please make payment a matter of priority. The school relies on funds received from fees to meet its running costs.  

If you have a Direct Debit in place and you have not reviewed the amount you are paying in 2018, please do this to ensure that your payment amount is sufficient to cover this year’s fees.

School Card applications are required to be made each year. This year the School Card income limit has been raised to $57,870 for a family with one child. This limit increases with each child. If you believe you may be eligible for School Card in 2018, please see Julie at the Front Office for an application form or you can apply online at:  

If you are experiencing any difficulties in paying your fees, please make contact with me for a confidential discussion regarding your circumstance.

Charmaine Gillard, School Bursar

Enrolments 2019-2020-2021  
If you have a child due to start school in 2019, 2020 or 2021 and have not yet enrolled, please contact admin staff in person, by email info@oloh.catholic.edu.au or by phone on 8289 8344. Alternatively if you know of anyone who may be interested in enrolling please encourage them to contact us to arrange a tour.

Holy Week Celebrations

Palm Sunday

Palm Sunday is the beginning of Holy Week. We celebrate Jesus entering Jerusalem where crowds welcomed Jesus by spreading palm leaves on the road before him.

It also marks the beginning of Holy Week, which is the most important week of the Catholic calendar. Here, we reflect and remember Jesus’s life, death and resurrection.

We will celebrate Palm Sunday with a liturgy, hosted by Room 16, with assistance from Rooms 1, 2, 3, 4, and 8 at **12.15 pm on Monday, 26th March (Week 9)**. Please feel free to join us then!

Washing of the Feet/The Last Supper and The Garden

Rooms 14, 17 and 18 will be hosting a liturgy at **11.30 am on Wednesday 28th March (Week 9)**.

You are welcome to join us reflect on Jesus washing the feet of his disciples, where he demonstrated, by example, how to love each other. We will also be reflecting on the Last Supper and on Jesus praying to God in the garden.

After this liturgy, all classes will be involved in washing each other’s hands and the commemoration of the Last Supper (in their classrooms).

Good Friday

You are invited to join in with the school community to reflect on God’s love for us, as the children are involved in a ‘Good Friday’ reflection. This commemorates the events leading to the crucifixion of Jesus and the story of his death. This will be at **12.20 pm on Thursday 29th March** hosted by Room 12.

Our Nude Food Picnic Lunch!

We had a very successful Nude Food Picnic Lunch in Week 5!

Room 2 had the most nude food containers followed by Room 1.
Both classes shared the prize and enjoyed a yummy fruit platter.

Remember: we now have **Nude Food Mondays** to help reduce the amount of materials we send to landfill.

Suzie Subotkiewicz
Room 3 students had lots of fun cooking with the produce from Hope Grows garden. They made tomato sauce, which they had with pasta! I think we have some future Master Chiefs!
Science - Digital Technology

All students in Science classes from Years 3-7 are having a turn at flying a drone at the end of their science lessons. The school has purchased 3 drones to be used in Digital Technology lessons. Firstly, students are developing their confidence in using the control pad to fly the drone up off the table and gently land it on the same table. More skills and stunts to be taught.

Cultural Studies - Italian

The Year 7 students helped me to make fried zucchini flowers that we had growing in the ‘Hope Grows Garden’. I talked to the students about how in the Italian culture this is a favourite recipe. We looked at the recipe and the steps involved in which all the students nominated a job to do. After cooking the zucchini flowers the students and some staff had a taste test; all agreed they tasted yummy!!!!! Stay tuned for more tasty Italian recipes.
SAPSASA District Swimming Carnival

On Friday 2nd March, Our Lady of Hope sent a small but excited team of swimmers to the SAPSASA District Swimming Carnival held at the Salisbury Swim Centre. The team were victorious in winning the pennant for the Small Schools Division. Well done to all of the team on a great effort and a special thank you to the parents who helped out on the day and who came to support the team. Congratulations.

T/20 Blast Cricket

Our Lady of Hope sent a team of enthusiastic Year 5 and 6 cricketers to the T/20 Blast School Cup Cricket Competition run by the SA Cricket Association at Para Hills Cricket Club on Monday 5th March. Every team played four matches each. It was a wonderful opportunity for the students to practice their cricket skills and to meet students from other schools in the area. Thank you to parents Lisa Van der Linden and Sinead Toner who assisted on the day.
OLOH Playgroup

We had our first morning of Playgroup run by our OLOH staff members Ali Wallace and Bernadette Gaudio last Thursday 8th March. It was a very successful morning and everyone had fun playing together and making new friends. The tea set was VERY popular as was the playdough table and toy cars. It was wonderful to see the parents chatting and the children playing and having fun together. We look forward to this week which will be “Easter Activities”.

Canteen
The Campus Canteen would prefer if you used the ordering system via the Qkr App but the manual method via the school classroom can still be used if you wish. To download the Qkr App, follow the instructions below:

Get the Qkr App on your phone:
Step 1: Download Qkr! On your Android Phone or iPhone. iPad users can download the iPhone app.
Step 2: Register.
Step 3: Find our School. Search for “Greenwith Primary School” as we are a shared campus.
Step 4: Register your children.
or by visiting: https://qkr.mastercard.com/store/#/home

Please note your order has to be completed using the Qkr App prior to 9.10 am or you will miss the cutoff time. Also remember to update your QKR App regularly as there occasional updates.

If you are interested in volunteering, (even 1 hour can make a difference) you do need to have a current Catholic Police Clearance. If you don’t have one and would like to help, please visit the Front Office for more information. Sue Firman, Canteen Manager

After School Sport - Indoor Soccer

A letter containing information was sent home via every child in Years 2-7 on Thursday 8th March regarding the After School Soccer Winter Season at Burragah Recreation Centre which runs during Terms 2 & 3. Nominations are due by 9.00 am on Monday 26th March. Details were also posted on our Skoolbag App under Sports – OLOH After School Nomination.

Coles Sports for School Program

This year Our Lady of Hope School is participating in the Coles Sports for School Program. When you shop at Coles you will receive one Sports for Schools voucher for every $10 you spend. At the end of the program the school will receive sports equipment based on the number of vouchers we have received. Please encourage your friends and family to participate as the more vouchers we collect, the more sporting equipment we will receive. The program finishes on Tuesday 3rd April.

Bring your vouchers in during the program and place them in the box provided in the Front Office. Thank you to all who have dropped off their vouchers already. Please keep them coming in.

After School Sports Results

P&F

We are again running the Entertainment Books as a fundraiser for OLOH. They can be purchased either digitally or in hard copy form for $70. If you wish to purchase the hard copy you can complete the form sent home to every eldest student on Wednesday 14th March (copy of which is on page 13 of this newsletter) and when we receive our copies we will forward to you or alternatively you can order online at http://www.entbook.com.au/161h563. Once copies arrive they can also be purchased through the Front Office either by credit card or with the correct cash.

We will be opening Room 5 on Monday, Tuesday, Thursday and Friday afternoons from 2.30 pm. Come in for a chat - tea and coffee available for $2.

Volunteers

Thank you to the parents who attended our two recent Volunteer Induction Sessions – please remember to complete your paperwork and return it to the office with your proof of ID documents so that we can get your applications for a Catholic Police Clearance started.

For those who have already done this, please ensure that you bring in your catholic police clearance letter and card once you receive them so that we can update our volunteer register. You will receive a DCSI clearance letter first, followed by a Catholic Police Clearance letter.

The Volunteer Induction Sessions for Term 2 will be held on Thursday 3rd May at 1.45 pm and on Tuesday 5th June at 9.00 am. You need to RSVP to the Front Office if you wish to attend.

More details about volunteering can be found on our Skoolbag App – under NEWS - Volunteering. If you have any other queries, please feel free to contact me by email: deelees@oloh.catholic.edu.au, by phone 82898344 or in person in the Front Office.

Every child’s education is affected by the decisions and policies of our State Government.

This flyer provides a simple summary of the key issues that Catholic Education South Australia believes are important to ensure that every child receives the best education possible.

We encourage you to make an informed decision when you vote in the State election on March 17.

Shaped by our Catholic faith, in partnership with families, our schools are truly inclusive in our mission, welcoming students of all faiths, political, social, cultural, and economic backgrounds. We pride ourselves on being the largest provider of Catholic education in South Australia and are passionate about providing the best possible education to all students, regardless of their background.

We encourage you to read the full statement made by the SA Catholic Education Commission on our website.

www.cesa.catholic.edu.au

We encourage you to make your vote count! Whether you are a parent, grandparent, parishioner, teacher or a part of the wider Catholic community we encourage you to make your vote count!
### What our schools need...

#### Recurrent Funding
South Australian Catholic schools need to be funded at no less than the national average level of State Government funding. The State Government allocated a significant increase in recurrent funding in November 2017 which brought Catholic schools near to the national average.

**Australian Conservatives**: Support new recurrent funding allocation

**Dignity Party**: Support new recurrent funding allocation

**The Greens SA**: Support new recurrent funding allocation

**Labor Party**: Labor Party has committed additional funding and now we are near the national average

**Liberal Party**: Support new recurrent funding allocation

**SA Best**: Support new recurrent funding allocation

#### Capital Funding
Until recently, SA Catholic schools received no capital funding from the State Government. Our schools need funding for capital works such as buildings and refurbishment. In November 2017, the State Government allocated capital funding of $0.5 million per annum (indexed).

**Australian Conservatives**: Support new capital funding allocation

**Dignity Party**: Support new capital funding allocation

**The Greens SA**: Support new capital funding allocation

**Labor Party**: $5.5 million annually (indexed)

**Liberal Party**: Support capital funding allocation of $0.5 million annually (indexed) as a minimum

**SA Best**: Support increase to $7.5 million annually (indexed)

#### Access to buses in rural areas
Some students in rural and regional Catholic schools have difficulty accessing a government-funded bus to school. We want the Government to provide school bus access for all eligible students.

**Australian Conservatives**: Support unrestricted access

**Dignity Party**: Government should ensure all students get to school

**The Greens SA**: All students should receive free public transport

**Labor Party**: Will seek to ensure that Catholic students have fair access to school buses

**Liberal Party**: Committed to tackling any disparity

**SA Best**: Committed to tackling any disparity

#### Utilities
The State Government announced it will pay all utility costs (electricity, water, gas) for every government school and pre-school. We want the program extended to include Catholic schools.

**Australian Conservatives**: Support appropriate contribution to costs

**Dignity Party**: Government should consider providing assistance

**The Greens SA**: Broadly supportive of addressing utility costs

**Labor Party**: Promising a 15% drop in electricity bills across SA (no specific promise to schools)

**Liberal Party**: Committed to tackling any disparity

**SA Best**: Committed to tackling any disparity

#### Year 7 in secondary
Catholic Education SA is moving Year 7 to a secondary setting in most schools by 2019. We seek recurrent and capital funding to support this move.

**Australian Conservatives**: Support the transfer of Year 7 students

**Dignity Party**: Support transfer of all Year 7s into a secondary setting

**The Greens SA**: Want government to support Year 7 move

**Labor Party**: No further specific funding for Year 7's moving into secondary settings

**Liberal Party**: Support Year 7 move into a secondary setting and will fund accordingly

**SA Best**: Support transfer of all Year 7s into a secondary setting

#### Early Learning Centres
We want to establish a number of Early Learning Centres to meet the growing demand in South Australia. We seek recurrent and capital funding to establish these centres.

**Australian Conservatives**: Support recurrent and capital funding

**Dignity Party**: Requested more information

**The Greens SA**: Directly supportive of funding Early Learning Centres

#### Vision for the North
We want to respond to the significant social and economic challenges facing many young people and families in parts of Adelaide’s northern suburbs. We seek a significant government partnership to support this project.

**Australian Conservatives**: Support Vision for the North

**Dignity Party**: Requested more information

**The Greens SA**: Support initiatives for the North

**Labor Party**: Open to receiving proposal

**Liberal Party**: Committed to improving education and economic opportunities for disadvantaged students

#### Laptops for students
The State Government recently announced that a $70 million Laptops for Students program will provide every Year 10 student in a public school with a laptop computer. We want the program extended to include Catholic schools.

**Australian Conservatives**: Support laptops for Year 10s

**Dignity Party**: Laptops available earlier and consider the needs of all students

**The Greens SA**: Broad commitment to ultra-fast internet for SA businesses, homes and schools

**Labor Party**: Will seek to include non-government schools, particularly those with high need

**Liberal Party**: Committed to tackling any disparity

#### High speed internet
The State Government recently announced high speed broadband upgrades for public schools and preschools. We want the program extended to include Catholic schools.

**Australian Conservatives**: Support access to high speed internet

**Dignity Party**: All schools should have access to high speed internet

**The Greens SA**: Broad commitment to ultra-fast internet for SA businesses, homes and schools

**Labor Party**: Will seek to include non-government schools, particularly those with high need

**Liberal Party**: Committed to tackling any disparity

#### Support for children with special needs
The State Government recently announced an allocation of $7 million to help children with special needs in public schools. We want the program extended to include Catholic schools.

**Australian Conservatives**: Support fair funding for children with special needs

**Dignity Party**: Students with disability should get the funding support they need

**The Greens SA**: $400,000 over three years to improve access to Allied Health services

**Labor Party**: Parent workshops focused on dyslexia and other learning difficulties

**Liberal Party**: Committed to tackling any disparity

**SA Best**: Committed to tackling any disparity
