REMINDER - FAMILIES HAVE UNTIL THE END OF THIS WEEK TO PURCHASE THEIR 3 ALLOCATED TICKETS. FROM THE BEGINNING OF NEXT WEEK, ALL REMAINING TICKETS WILL GO ON SALE AND ALL FAMILIES WILL BE ABLE TO PURCHASE EXTRA TICKETS.
Hi All,

Confirmation and First Eucharist celebrations
On Saturday 2nd June, 7 children from Our Lady of Hope received the Sacrament of Confirmation. There were two Liturgies held at St. David’s Parish at Tea Tree Gully to celebrate this special occasion for these young children as they made the decision to commit themselves as fully initiated members of the Catholic Church. Father Philip Marshall, Vicar General of the Archdiocese of Adelaide, officiated at these Liturgies. Both celebrations were wonderful events and joyous occasions for both children and their families. It was great to see the children so well supported at the celebrations by their families and friends. We will be presenting these children to our school community at our next Whole School Mass this Friday.

Photos and names of the children who received the sacraments of Confirmation can be seen later in this newsletter. I would like to congratulate all of these children on this special occasion. I am grateful that I was able to witness them undertake this significant step in their faith journey.

Cooler Weather
It looks as thought like after a term and a half of glorious weather, we are now seeing the beginning of the winter weather. During the winter months, children usually come to school wearing their school jumpers and perhaps even a jacket. When the children play at recess and lunch time, they start to feel a bit warm, so they take their jumpers and jackets off. It is not uncommon for some children to leave their jackets and jumpers out in the playground and forget to take them back to class. The end result is that the clothing is brought to the office. If the clothing has a name on it, the children are contacted and asked to come and collect their clothing. If the clothing is not clearly labelled then it is stored in the lost property cupboard in the Front Office.

Every year we end up with a lot of lost property in the Front Office, some of which is never claimed. Now is a timely reminder for parents to ensure that all of their children’s clothing is clearly labelled with their child's name. My advice would be to label all clothing, even if it is clothing that isn’t usually taken off, such as shorts, shirts, skirts etc, as with the concert approaching there is a chance that children may have dress rehearsals. If you have purchased or acquired second hand clothing, please ensure you re-label these items with your child’s name. By labelling clothing you are helping us to ensure that all misplaced clothing is returned to its rightful owner.

Our Lady of Hope School Annual Report for 2017
As a part of the requirements of the Schools’ Assistance Act 2008, all schools are required to complete an annual report on a variety of matters associated with the functions of the school, and this report has to be available to the parents and other members of the school community before 30th June in the year following the year of the report.

The Our Lady of Hope School Annual Report for 2017 has been placed on our school’s website at www.oloh.catholic.edu.au in the “For Our Parents” link. If for some reason you do not have access to the web, can you please let staff in the Front Office know and we will provide you with a paper copy of the report.

Parish/Children’s Mass
This Sunday children from Our Lady of Hope will be hosting a Sunday morning Parish Mass at 9.00 am in the Our Lady of Hope Chapel. Our band will be playing at this mass, and children from the school will be involved in presenting the readings, prayers, gospel and offertory processions. I invite and encourage all of you who can, to attend this service as they are wonderful masses.

Concert Tickets
Just a reminder that the concert is now only 3 weeks away. By now you should have received and returned a permission form for your child to attend the concert rehearsal. You also should have received some information from your child’s class teacher about their concert item and costume requirements.

Just a reminder that families have until the end of this week to purchase their 3 allocated tickets. From the beginning of next week, all remaining tickets will go on sale and all families will be able to purchase extra tickets. If you haven’t purchased any tickets yet, please do so as a matter of urgency as I would hate for families to miss out.

The children have been working hard to learn their item for the concert and it promises to be a great evening of entertainment for the whole family.

God Bless,

Ashley Keane

Our Lady of Hope School now has Qkr App

After requests from many families, Our Lady or Hope School now has its own Qkr App, which we will be asking families to use to make payments for things like Sports Carnivals, and other events which require small payments. Using the app you will be able to complete the permission form and payment, all from the convenience of your phone.

Please note, this is different from Canteen orders which will still be made using the Greenwith Qkr App.

If you don’t already have Qkr we encourage you to download the app (it’s free) and register your children’s profiles, so that you are ready when you have to make a payment.

A how to guide has been included below – so please sign up today.

As an additional note Qkr can also be used from your desktop, just enter the site via the link below: https://qkr.mastercard.com/store/#/home

If you have any questions, please do not hesitate to contact our Bursar, Charmaine Gillard.
Soccer Boots

Do you have any unused or unwanted soccer/football boots that no longer fit your child and would like to sell?

Boots can now be donated or sold through the Uniform Shop. If you want to sell your child’s boots they can be placed in the Uniform Shop and displayed for sale.

If you want to donate your boots they will be stored in the Uniform Shop and when a soccer/football carnival is coming up students will be able to hire these boots for a small fee.

Gleeson Netball Carnival

On Wednesday 6th June the Year 7 girls went to Gleeson for a Netball Carnival. The Year 10 Gleeson Netball Program organised a carnival day in the Golden Grove Recreation Centre. The girls played against other local Year 7 schools. The girls had a great day and came third. We thank Gleeson for inviting us to a well-run fun day.

Well played girls.
Sacramental News

Last Saturday, we had our Confirmation celebrations at St. David’s with our Parish Priests Father Leo and Father Nadeem. Rev Father Philip Marshall VG led the celebration with interest and he was very engaging with the children throughout the Liturgy.

I would like to congratulate Sam A, Stephanie B, Eden G, Emma L, Joey M, Annamaria P and Emilio P on receiving their sacraments. May they continue to grow into a deeper relationship with God.
Hope Grows News

Hope Grows visits the Botanic Gardens to Celebrate ‘World Environment Day’!

Hope Grows Members celebrated World Environment Day 2018 at an event hosted by the Adelaide Botanic Gardens.

The event was held inside the beautiful Adelaide Botanic Gardens and was designed to encourage young students to interact with the environment and gain an understanding of related issues currently impacting the world.

Students participated in short interactive sessions, hosted by presenters from the Adelaide Botanic Gardens and external environmental organisations.

The weather was perfect and the students had a fun-filled day!
KESAB visited the Hope Grows Members last week.

After a brief discussion on waste and recycling, the students participated in a team challenge to sort material into the correct 'Landfill', 'Recycling' and 'Organics' bins. KESAB then reviewed the contents of the bins and the 'tricky' items were discussed.

Our presenter, Ryan, mentioned that the students did a great job sorting the materials!

Good work Hope Grows!

In week 5 at Playgroup we had lots of fun making musical instruments from recyclable materials. We made guitars, drums and maracas. We also played with the skittles and beanbags, and enjoyed reading books with our parents.

In week 6 we had lots of fun with the big parachute. We sat back-to-back and our parents spun us around and we laughed a lot when we did this. We also had to try to keep the balls on top of the parachute and this was a bit tricky! We got to run under the parachute, lay on our tummies under it and on our backs. It was really great to play with the parachute this week.

Our Lady of Hope School is a Way2Go partner with the local council and the Department of Transport, Energy and Infrastructure.

The Way2Go program promotes safer, greener and more active travel for the school community.

We want to create conditions where children, families and communities can choose walking, bike riding and public transport to get around their local areas and for school journeys.

The important first step is to collect evidence about children’s current travel to and from school.

Students and teachers will be completing the online survey and your perspective as a parent/caregiver will provide us additional valuable information.

The survey provides ‘snap shot in time’ information about specific school community travel choices, attitudes, issues and preferences.

The patterns emerging and specific information will shape planning and actions and create changes.

Please use the following link http://bit.ly/Way2GoParentSurvey or (google Way2Go surveys) to complete the survey by 1st July 2018.

Thanks for your help.
