C16 Cans for Kids Project

In Room 16 we collect recyclables, clean them and sell them to Greenwith Recyclers. We use the money to give it to the less fortunate families in Indonesia. Last year the volcano (Gunung Agung) was erupting and many families had to live in the evacuation camps. The CFKP provided 10 water filters, fresh vegetables, hygiene products, mattresses, blankets, activities for the kids, drumming workshop, baby clothes, nappies and medicine.

We bought some colouring in books and crayons for the kids in the camps. They loved it.

Stationery and school supplies have been collected and will be donated to a needy school in Ghana, via a free space in a shipping container. Unwanted mobile phones and adaptors are being collected to donate to those in need in Ghana. Please donate to Room 16.

Amalgamation of Cans For Kids Project with WOMBA Africa Charity Festival to help disabled kids in Ghana. All welcome to partake in this festival. More information on Facebook Cans For Kids Project.

Recycling proceeds will be used to help offset the cost of schooling for underprivileged kids in Ghana.

Future Directions
Hi All,

It is very hard to believe that we are nearly at the end of Term 2. As the term draws to a close there are a few items that I would like to bring to your attention.

Student Creativity and Learning

Over the last few weeks I have had the privilege of being invited into some of our Middle Year’s classes to view some of the learning that has taken place this term. I really enjoyed spending time with the children who showed me their work and it was fantastic to see how proud the children were of what they had created. One of the things that really stood out to me was how creative some of the work that the children had produced was.

Alana P from our Year 7 class was given the task of presenting what she had learnt about a rain forest ecosystem. As part of this Science task she was able to present what she had learnt in anyway she wished. I was absolutely amazed to see that Alana had presented her learning as a cake. The detail was remarkable – including the edible trees, animals, water and landscape on the cake. The inside of the cake also consisted of different layers in order to represent the different layers of the rainforest.

I was also invited into a Year 5/6 class in order to view some of the children’s design and technology work. As part of this unit of work the children designed different arcade games and then tested these games by asking other students to play them and provide feedback. The children used the feedback to modify their games. Once again I was impressed with the creativity and reflection that went into these work tasks.

The Year 5/6 classes have also been learning about the Gold Rush and have demonstrated their learning by making models lucky to view some of these models and the children did a great job at replicating a Gold Rush scene and explaining their model to me.

In another task, Alana P & Alana W from Year 7 have spent over a term preparing a video for entry into a Maths competition, where they will be competing against Secondary students. As part of this competition the girls had to look at ways that Maths is used in everyday life in our world. The girls did a fantastic job and explored topics such as population ratios, time conversions between different time zones, currency conversions and percentage wage growth in relation to the cost of plane flights. Once again I was amazed by the amount of research and work that went into this presentation. If you wish to view this video you can do so at the link below: https://youtu.be/yrQF1a-nWTI

Tasks like the ones I have described above are just some examples of the wonderful work that the children have completed this term. Learning has definitely changed since I was in primary school 30 years ago. As part of these tasks the children had to do more than just demonstrate their knowledge in a test. Rather they had to show effective research skills, display critical and creative thinking skills as well as an ability to solve problems and work with others. In all of the above tasks the children had to apply what they had learnt and use this information to successfully complete the tasks. All of these skills will be important as our children move into a 21st Century workplace. I would like to congratulate all of our students for the fantastic effort which they put into their learning tasks and I would also like to acknowledge their teachers who have facilitated these learning experiences. Photos of some of the children’s work can be seen on page 4 of this newsletter.

Student Reports

The teachers are currently working on finalising the Term 2 reports for the students. The reports will be sent home via the students next week. The reports are just one way in which we formally communicate with parents about their children’s progress at school. When you receive the report, if you would like an opportunity to discuss its contents with your child’s class teacher, please approach the teacher to organise a meeting time to do this. If there is not time for this meeting to occur before the end of this term, it can happen at the start of next term.

A sheet that explains the grading system that is used in the reports will be included in the envelope with the reports. If you have any questions about the grading system I am very happy to discuss this with you.

End of Term 2, start of Term 3

This term finishes at 12.30 pm on Friday 6th July. The first day of next term, i.e. Monday 23rd July, will be a Pupil Free Day. Staff will be undertaking training on this day. The first day of Term 3 for the children will be Tuesday 24th July.

Thank you

As this is the last newsletter for this term, I would like to take this opportunity to say a very big thank you to all the staff for their great work and to all the parents who have volunteered their services in any way. As I keep saying, Our Lady of Hope School is a wonderful community to belong to, and it is the hard work, commitment and caring approach of the staff, and the support and positive attitude of the parents, that make it so.

I look forward to seeing you all at the concert for what should be a fantastic evening of entertainment and a wonderful community event.

I hope you all have a safe and enjoyable time with your children over the school holiday break and I look forward to working with you all again next term.

God bless,
Ashley Keane

Libby D - For great leadership in dance and rhythm in our school concert.
Andre T - For an outstanding contribution in athletic dance in our school concert.
Sebastian T - For great participation and leadership in our school concert.

Fees Reminder

Term 2 fees should have been paid by 8th June 2018. Please check your records to ensure that your payment has been made. If you have a direct debit in place, please ensure that it is adequate to have fees paid in full by the end of the year.

If you would like to discuss payment arrangements or check the status of your payments please feel free to give me a call. I dedicate each Wednesday to fees only, but can be reached by phone or email Monday to Thursday from 8 am to 4 pm, as well as alternate Fridays to answer your queries. My direct email address is cgillard@oloh.catholic.edu.au

School Card applications are required to be made each year. This year the School Card income limit has been raised to $57,870 for a family with one child. This limit increases with each child. If you believe you may be eligible for School Card in 2018, please see Julie at the Front Office for an application form or you can apply online at: https://www.sa.gov.au/topics/education-and-learning/financial-help-scholarships-and-grants/school-card-scheme

If you are experiencing any difficulties in paying your fees, please make contact with me for a confidential discussion regarding your circumstance.

Visit to Estia Health Care Facility

Our Social Justice group visited *Estia Health* at Golden Grove two weeks ago.

During their visit, they sang songs and shared their favourite stories.

This was a great opportunity for the Social Justice group to interact with the residents and make their day!

These visits occur twice a year, where we take turns visiting each other.

The students had so much fun that they can’t wait for the residents to visit us here at school next time!
More World Environment Day Celebrations!

Classes celebrated World Environment Day in many different ways.

Room 17 students planted 90 seedlings to enhance the garden near the Middle School Building! They worked very hard even though it was quite cold!

Room 8 students sowed seeds into Hope Grows garden. We now have winter seedlings in our garden beds! These students are constantly improving their gardening skills.
Classes celebrated World Environment Day in many different ways.

**Room 10** had a wonderful time making pumpkin scones to celebrate World Environment Day! They even used herbs from the Hope Grows garden to add to the butter! We would like to say a big thank you to Kathryn Hill for donating a very large pumpkin and for her valuable baking assistance.
KESAB visited the Hope Grows Members once again.

Our presenter Alan gave us many suggestions on how to maintain our compost bins in a healthy state and how to use newspapers to aid in the decomposing of food scraps. Hope Grows members learnt many new things about composting and Alan said that our procedure for composting is going well!

Good work Hope Grows members!

Lunchtime Sport Activities

During this Term the Year 4-7's have been involved in soccer games on Tuesday and Wednesday lunchtimes for their House. Sports Captains have been getting together teams to play these games and have done a great job organising this.

The Grand Final was played on Thursday 7th June. Green (Xavier) played against red (Gleeson). Xavier won with the score of 3/1. Students showed great team spirit and all played well. Congratulations Xavier!

A big thankyou to all sports captains and umpires that helped organise the running of these games.

SACPSSA Athletics Carnival Year 4-7

On Thursday 21st June students from Years 4-7 where selected to attend the SACPSSA Athletics Carnival held at Santos Stadium. This was an exciting day where we competed against many other schools. Overall we came second in the boys and girls sections and are proud to announce Mia D and Mia Z won age group champions. So many ribbons were won and great sportsmanship was shown by all. A huge thank you to Julie Wright for being an official for the day.
Advance Notice - We are celebrating

**BOOK WEEK**

in Term 3 in Week 4!

You might like to get your costume ready.

Book Week Parade Friday 17th August

---

**Book Week/Grandparents Day/VIP Day**

All parents, Grandparents and VIP’s are invited to attend the Book Week Parade on Friday 17th August. The Parents and Friends will be hosting morning tea for all visitors in the Parish Centre at 11.00 am.

(Families are encouraged to bring a small plate to share)

Grandparents and VIP’s are invited to visit classrooms following recess at 11.20 am and then assemble for the Book Week Parade which will begin at 12.10 pm.

---

**Answers to frequently asked questions:**

- **Do all students take part in Book Week?**
  Yes – all students and staff participate in Book Week.

- **Do students wear their costumes to school for the day?**
  Yes - students wear their costumes to school for the duration of the school day. Please ensure your child/ren wear appropriate shoes i.e. suitable for recess and lunch play (not high heels/thongs etc). If the day is cold, please layer clothing under costumes i.e. tights/skivvies to ensure students stay warm. If the weather is warm, please ensure students have sun protection i.e. put a t-shirt under singlet straps etc and ensure your child/ren bring their school hat to school. If the weather is hot and sunny (which it has been in the past) please apply sunscreen at home and ensure your child has sunscreen in their bags to reapply during the school day.

- **Parade venue**
  - Warm weather: Parade will be held in the courtyard near Rooms 3 & 4. The parade will begin at 12.10 pm and finish by approximately 12.50 pm.
  - Wet weather: Parade will be held in the Parish Centre.

- **Do I need to sign in?**
  Parents & VIP guests do not need to sign in on the day.

---

*We expect all students to stay at school for the duration of the school day.*

---

Adult Visitors are **not** permitted to use student toilets.
Toilet facilities will be available to all guests in the Parish or via the office.
OLOH Playgroup

Over the last two weeks at Playgroup we have had a great time playing with the parachute and farm animals. We have also enjoyed threading, making playdough creations, drawing and puzzles. Books always play an important part of every Playgroup.

This week we are having a sensory day and we hope to have lots of fun and will have some great photos to show in the next newsletter.

Our Lady of Hope School now has Qkr App

After requests from many families, Our Lady or Hope School now has its own Qkr App, which we will be asking families to use to make payments for things like Sports Carnivals, and other events which require small payments. Using the app you will be able to complete the permission form and payment, all from the convenience of your phone.

Please note, this is different from Canteen orders which will still be made using the Greenwith Qkr App.

If you don’t already have Qkr we encourage you to download the app (it’s free) and register your children’s profiles, so that you are ready when you have to make a payment and sign any permission slips.

A how to guide has been included below – so please sign up today.

As an additional note Qkr can also be used from your desktop, just enter the site via the link below:
https://qkr.mastercard.com/store/#/home

If you have any questions, please do not hesitate to contact our Bursar, Charmaine Gillard.
Canteen

Please note that as of Term 3 the Campus Canteen will only be taking lunch orders via the Qkr App. The manual method of ordering via the lunch bag method will no longer be used. Students can still purchase items over the counter at recess and lunch but no meals will be available over the counter (i.e. hot dogs, sandwiches, lasagna etc).

To download the Qkr App, follow the instructions below.

Get the Qkr App on your phone:

Step 1: Download Qkr! On your Android Phone or iPhone. iPad users can download the iPhone App.
Step 2: Register.
Step 3: Find our School. Search for “Greenwith Primary School” for Canteen Orders only.
Step 4: Register your children.

or by visiting: https://qkr.mastercard.com/store/#/home

Please note your order has to be completed using the Qkr App prior to 9.10 am or you will miss the cutoff time. You can order up to a week in advance and change details if you need to prior to the order being filled (before 9.10 am on the day of the order). Also remember to update your QKR App regularly as there are occasional updates.

How do I cancel canteen orders and get a refund credit?

Sign into your Open Qkr

1. Select your canteen and on the account go to the calendar view for food orders, tap on the day showing the future Paid order you wish to cancel.
2. Select the date for which you wish to cancel the order.
3. Tap ‘Cancel Items’ on the pop-up box which appears Order Summary to cancel all items on the order or tap on an item and ‘Cancel Item’ to only cancel an individual item.
4. Another pop-up box appears asking if you wish to proceed. Tap ‘Yes’ to proceed with the cancellation.

To reduce school costs, cancelled food canteen orders are refunded in the form of credit for future canteen orders. A ‘Refunded’ stamp will appear on your eReceipt phone receipt confirming that the order has been cancelled and a credit is available for future food canteen orders. The value of any outstanding food order credits will automatically be deducted from your next Qkr food canteen order.

If you are having difficulties, contact the Canteen Manager direct for assistance on Sue.Firman84@schools.sa.edu.au

If you are interested in volunteering especially on Mondays or Fridays now the cold weather has set in, (even 1 hour can make a difference) you do need to have a current Catholic Police Clearance. If you don’t have one and would like to help, please visit the Front Office for more information.
