Room 10's Art Exhibition

Celebrating the world’s most famous paintings with our own reproductions.

A journey in faith and learning.
Dear Parents,

Welcome to Term 4. I hope that you all enjoyed the school holiday break. I would like to extend a very warm welcome to Liam and Zoey who are new to our school and are commencing in Year 3 and Year 1. I am sure that you will find Our Lady of Hope to be a wonderful community.

Our Lady of Hope Day

At the end of last term we celebrated Our Lady of Hope Day, which is our annual feast day. We celebrated this day with a beautiful whole school Mass which was followed by a whole school picnic at Thorndon Park. The weather was perfect for our picnic and it was so good to see all of our children enjoying each other’s company and having fun together. It was great to see the older children helping with the face painting and taking on a nurturing role in the manner in which they cared for our younger students. A number of parents came along and joined us for the day which was wonderful. I would like to say a BIG THANK YOU to our wonderful Parents & Friends committee who organised and cooked the BBQ for the whole school lunch. We are so fortunate to have such a dedicated and committed group of parents who support our whole school events. Events like Our Lady of Hope Day, really do highlight to me what a wonderful school community we have. The beautiful children, supportive parents and caring staff, make working at Our Lady of Hope such a rewarding and enjoyable experience.

New Shade over the Playgrounds

You may have noticed that during the holiday period we had new shade structures erected over both the Our Lady of Hope and Greenwith Playgrounds. Money raised from last year’s Campus Family Fun Night helped to contribute to the cost of these structures which will provide great benefit for all of the children in our school community.

Parent Satisfaction Surveys

Every year we invite all of our families to complete a parent satisfaction survey. This year’s survey can be accessed at https://www.schoolsurvey.edu.au/s/olahparentsurvey2016. The survey opened on Thursday 16th October at 2.00 pm and will be closed Friday 16th November at 11.59 pm. We use the data obtained from these surveys to affirm the things we are doing well and also to look for ways that we can improve the services which we offer at our school. We greatly value the feedback from our families and I strongly encourage you to complete the survey.

Car Parking and Driver Courtesy

As you would be well aware, there is often a build up of traffic around the school at drop off and pick up time. With close to 1000 children on our Campus, it is inevitable that there will be some traffic congestion. Whilst most drivers do the right thing, we are still finding that some motorists are acting in a very selfish manner and not adhering to the parking signs erected in both the Parish Centre and Community Centre Car Park. Some of the main concerns include:

1. Drivers parking in the Kiss and Drop areas and waiting excessively long periods of time for their children and then not moving on when asked to. This causes a bank up of traffic and prevents other drivers from entering the kiss and drop zone to pick children up who are already waiting.

2. Drivers parking in the Loading Zone. The Loading Zones are designated for delivery drivers and also for the safe unloading of school equipment or children. There are times when children return from sports carnivals in private vehicles around home time or when staff or parents are dropping off equipment after whole school functions (i.e. Our Lady of Hope Day). The Loading Zone is designed to be a safe place for the above activities to occur. People who park in this area can put our children, staff, volunteers and delivery drivers at risk.

3. People not adhering to the no right turn signs, which leads to traffic jams.

4. People double parking and stopping people from getting out of their car park.

Can I politely request that all drivers who come to pick up their children show some patience. In the end we want all children and families to be able to enter and leave the school grounds safely. Therefore if you come to the kiss and drop and your child is not waiting for you, then I encourage you to move on and allow other people to collect their children and then come back to collect your child. Children are supervised in the Kiss and Drop areas until 3.25 pm and after this time children who are not collected are walked to the front office by the teacher on duty.

I thank you in anticipation of your support in making our car parks safe for all children and families.

I look forward to what will be a very busy and exciting last term of school.

God Bless,

Ashley Keane
Principal

Coles Sports for Schools Program

We have received our sporting items which we ordered through the Coles Sports for Schools Program earlier in the year. Thank you all who supported us in the promotion just by shopping at Coles.

Uniform Changeover Period

Now the students are back at school for Term 4 they are currently able to wear either their winter or summer school uniform to suit the weather conditions. Please note that the students are not to wear a combination of both uniforms. This policy applies up to the end of week 3. Once we commence week 4 (Monday 5th Nov.) every student will need to be wearing their summer uniform regardless of the weather conditions (jumpers are the only exception). Note that the first day of week 4 is the school photographs day so you need to have your child’s uniform organised prior to this date.

School Sport Australia Football (Soccer) Championships

Congratulations to Kayla from Room 17 who late last term represented South Australia at the 2018 School Sport Australia Football (Soccer) Championships in Sydney. Well done Kayla on your achievement.
Religious Education

Masses

An invitation is always extended to all families to attend any Class Masses/Liturgies that are held throughout the year. For those that have forgotten, Masses/Liturgies start at 9.15 am and these celebrations are held in the Parish Centre. Receptions from Rooms 1 and 2 will be having their liturgy next week on 26th October.

Whole School Mass

In week three we will be having a Whole School Mass on Friday 2nd November at 9.15 am to celebrate the Feast of All Saints. During this Mass we will honour those saintly women and men who have been blessed in our Church. This is what sainthood is all about, staying close to God and allowing God’s love to fill our lives. All Saints Day is actually on Thursday 1st November. This Mass will be a wonderful opportunity for our community to stop and think of God’s love for us and to celebrate what that love can bring about in our lives!

Please join us in this celebration.

Last term OLOH Day was celebrated at Playgroup a day early but there was still lots of fun to be had. Unfortunately, due to the weather, we couldn’t venture outside but we still managed to use the equipment indoors and had a great time.

Term 4, Week 4, Monday 5th November, 2018

Notice for each ‘eldest’ student at OLOH

Wednesday 17th October, 2018

Dear Parents / Carers,

School photos will be taken at school on Monday 5th November, 2018. Every OLOH student will bring home a photo envelope today. Please ensure you place the photo envelope/s in a safe place as they are individually bar-coded to each student and the school cannot replace them. They are given to you in advance to allow you time to complete and organise pre-payment.

Uniform
Full summer uniform is to be worn (no sports uniforms).
Girls - summer dress with navy ankle socks and black school shoes.
Boys - grey shorts with yellow shirt, grey ankle socks and black school shoes.
(An option for shoes is either navy blue or black sandals without socks).
Jewellery – plain gold or silver sleepers or studs (one per ear lobe). Necklace – only a first communion crucifix may be worn. Hair shoulder length or longer must be tied back with hair ties in school colours of navy, gold or green. Makeup or nail polish is not permitted. Students may wear their woollen jumper to school, however they will need to remove this for the photographs.

A couple of steps to follow:

Photos are pre-paid and students are to bring their order envelope to school on Monday 5th November only. Students will hand their envelopes directly to the photographer. Teachers or office staff will not collect or store these in advance.

If paying by cash correct money MUST be enclosed as change will not be given on the day by the office or the photographers. Payment can be made by cash, cheque, online or money order only – refer to the instructions on the photo envelope for details. Please understand that the school does not handle any money, this is the responsibility of the photographic company, and therefore we are unable to provide change as we do not carry a cash float.

All children will be in a class photograph. Even if you do not wish to purchase photographs please ensure your child brings their envelope to school on photo day as a photo will be taken for school records. If you order online your child still needs to bring their photo envelope on the day (please write on the envelope your online payment reference).

The school will not handle any “I.O.U.’s” for these types of photos nor will we phone parents to give reminders. Please ensure that you note the school photograph date on your calendar and that you hand the envelope to your child on the morning of school on 5th November. Please note that Master School Portraits will accept late orders (however these are subject to a search fee and it is the parent’s responsibility to contact the photographers directly and to mail the late order form to them). Details regarding late orders are printed on the bottom of the student photo envelope.

Family Portraits
If a sibling photograph of the children within the school is required, please do one of the following:

Ask your eldest child to visit the Front Office to collect a Family Photo envelope.

OR

A parent / caregiver visits the Front Office to collect a Family Photo envelope from the front desk.

It is important to note that non school age children cannot be included in family photos. Also if students are too ill to come to school then they should not come in for photographs, this is a request of the school and photographic company to stop the spread of illness.

Family Photos are pre-paid, envelopes need to be handed to your eldest child to give to the photographer on the day. Please do not enclose Family photo envelopes inside individual student photo envelopes as they will not be opened on the day. Online ordering is not available for Family Portraits.
2018 Student Residential Address and Other Information collection notice

This notice is from the Australian Government Department of Education and Training (the department), to advise you that the department has requested that your child’s school provide a statement of addresses, in accordance with the Australian Education Regulation 2013 (Cth) (the Regulation).

A statement of addresses contains the following information about each student at the school:

- Student residential address (not student names)
- Student level of education (i.e. whether the student is a primary or secondary student)
- Student boarding school status (i.e. whether the student is boarding or a day student)
- Names and residential addresses of the student’s parent(s) and/or guardian(s)

Schools generate a record number for each student for the purposes of this collection, which is also provided to the department.

Purpose of the collection

This collection is routinely used to inform Commonwealth school education policy, and to help ensure that Commonwealth funding arrangements for non-government schools are based on need, and are fair and transparent.

The National School Resourcing Board recently completed a review of the socio-economic status (SES) score methodology used in the calculation of the Commonwealth’s needs-based funding arrangements for non-government schools. The information collected in the statement of addresses will be used to progress the Board’s recommendations, which have been accepted by the Government.

Further information on this review and the Government’s response can be found here: https://www.education.gov.au/review-socio-economic-status-ses-score-methodology.

Use and disclosure of personal information

Your personal information is protected by law, including the Privacy Act 1988 (Cth). Any use and disclosure of your personal information relating to the statement of addresses will occur in accordance with the Regulation.

Your personal information may be used by the department, or disclosed to the Australian Bureau of Statistics (the ABS), for the purposes of SES score policy development, reviewing SES score methodology, calculating SES scores, Commonwealth school education policy development (including school funding), or where it is otherwise required or authorised by law.

For example, your personal information may be provided to the ABS for statistical and research purposes, which includes data integration projects such as the Multi-Agency Data Integration Project (MADIP). Further information on the MADIP can be found here: http://www.abs.gov.au/websitedbs/D3310114.nsf/home/Statistical+Data+Integration+++MADIP.

The department may, from time to time, carry out audits of school submissions. In the event of an audit, contracted auditors may seek to compare a school’s statement of addresses with student enrolment information held by the school. These contractors will not use the information for any other purpose.

The department may also be required to disclose your personal information to contracted providers for the purposes of the provision of ICT support services to the department.

The department does not intend to disclose personal information to overseas recipients.

What do you need to do?

You are not required to do anything. Your school is responsible for providing the requested details to the department, however, please ensure that your school has the most up-to-date and correct details for your family.

Contacts for further information

Your school can provide additional information about the process for the statement of addresses collection.

If you have any further questions regarding the collection, you can contact the department by:

- Email: seshelpdesk@education.gov.au
- Phone (free call): SES helpdesk on 1800 677 027 (Option 4)

The department’s privacy policy is available on the department’s website at www.education.gov.au. The privacy policy contains information about:

- how individuals can access and seek correction of the personal information held by the department;
- how complaints about breaches of the Privacy Act 1988 (Cth) can be made; and
- how the department will deal with these complaints.

If you wish to contact the department about privacy-related matters, please email the department at EducationPrivacy@education.gov.au or write to:
